Owen Jenkinson was diagnosed with Ewing Sarcoma in 2022 and, after a year cancer-free, unfortunately relapsed in 2024. Despite further treatment, his cancer progressed, and he sadly passed away in November 2025. Owen's strength, spirit, and love for life remained unwavering, and the charity PACT (Parents' Association of Children with Tumours & Leukaemia) has been a vital source of support for him and his family throughout the journey.

Good evening, ladies and gentlemen, welcome to The SALUS Stadium for today's Northern Counties East Premier Division game against Sheffield. We give a warm welcome to Sheffield's players, officials and supporters and hope they have a safe trip home after the game.

Today's match ball is sponsored for the second successive game by our volunteer club photographer Ty Jowett of Pixel Perfect Photography. We thank him for his continued kind support of the club.

Today's visitors, Sheffield, currently sit in 3rd place on 68 points after 34 games. Since their last defeat, in February, Sheffield have gone through the month of March undefeated, drawing 1 and then winning 6 consecutively. In the last fortnight, Sheffield have had a hectic schedule with a 3-0 triumph at Eccleshill United being followed by 3 home wins - 2-1 vs Thackley, 3-2 vs Horbury Town and a resounding 6-0 vs Beverley Town, before nicking a 1-0 victory at Bottesford Town at the weekend.

The Blues come into today's game in 12th place on 41 points after 35 games. On the final day of February, Lucas Robinson scored twice and Elliott Andrew put away a penalty as we beat Eccleshill United 3-1 here at The Wezzie. Since then we lost 3 on the spin without scoring, 2-0 at Liversedge, now the league champions, and a pair of 1-0 defeats, against Barton Town at home and, disappointingly, in our return fixture at Eccleshill United. But then goals from Elliott Andrew and Sam Cable gave us a 2-0 win against already relegated Wombwell Town, in front of a crowd of over 300, last Friday night, putting some very welcome distance between ourselves and the drop zone.

Our most recent meeting with Sheffield was our league game in September 2025 when we suffered a 5-0 drubbing at the Coach & Horses ground. Prior to that we last played in the Northern Premier League East Division when we met twice in the space of 5 days in late March 2022. With both The Blues and Sheffield battling to avoid relegation, they proved to be crucial as Sheffield took 4 points from the pair of matches. Sheffield won 1-0 on the Tuesday at Dronfield, then on the following Saturday goals from Rod Orlando Young and Brad Wells were only good enough to secure a 2-2 draw for The Blues, and largely decided our final fate of relegation at the end of that season.

There's a good chance that some ex-Blues will be on show in the Sheffield lineup with Nathan Whitehead, Joe West, Brad Beatson, Luke Mangham and Harry Spooner having featured in their recent games.

Expect The Blues to be channeling their inner Haze and Big Gav to get a win against the old foes of Sheffield.

Our next game sees The Blues travel to Rossington Main on Saturday 28th March, 3pm kickoff. Then The Blues are next in action here at Westfield Lane on Saturday 4th April when Horbury Town are our visitors for our final game of the 2025/26 season, 3pm ko. We hope to see you all there.

Enjoy the game and as always we thank you for your valued and continued support.

Meet The Visitors 1

Versions of football evolved in many early civilisations, but in England the original games were played between villages in fields and streets. During the 19th century a more refined version of the game grew in popularity within the public schools and universities, and during the 1850s ex- students spread the popularity of the game around Sheffield. In 1857 William Prest and Nathaniel Creswick agreed that the game would be a good candidate for organised sport during the winter. The pair wrote to the Public Schools with the aim of drawing up a set of laws. On October 24th, 1857, the world's first football club was born at the home of Harry Chambers, who went on to become one of the club's greatest players, and Secretary. Upon the formation of the Football Association in 1863, Sheffield's insistence on these laws began the evolution into the game we recognise globally today. Heading, solid crossbars, corner kicks, free-kicks for fouls, throw-ins, a half-time change of ends and floodlit matches can all be traced to the innovators of Sheffield FC. Initially, early matches had to be played between club members. Following the birth of Hallam FC, the world's first inter-club game took place on Boxing Day in 1860. The match concluded in a 2-0 win for Sheffield. For several years all matches were played locally before the first 'out of town' match was played in Nottinghamshire in 1865. In 1866 the first 90 minute game was played.

The FA Cup was founded in 1871 and in its 3rd season Sheffield became the first northern side to take part, reaching the quarter finals and again in 1876 and 1878. 1872 saw the first international game, between England and Scotland in Glasgow, with Sheffield's Charles Clegg playing for England. Clegg went on to be Chairman and President of the FA.

From the 1880s onwards the rise of professionalism and Sheffield's retaining of their amateur status saw them overshadowed by other sides. During these years the very survival of the club owed much to the leadership of former players Harry Chambers and Harry Broughton Willey.

However, Sheffield also enjoyed their greatest hour in 1904 winning the Amateur Cup, beating Ealing 3-1 at Valley Parade.

1949 brought admission to the Yorkshire League and a resurgence, which saw the side promoted to Division One and reach the League Cup final in 1953. In 1957 they celebrated their Centenary year and reached their first Sheffield and Hallamshire Cup final in 1962. The 1950s also saw club legend, Geoff Robinson score 232 goals over 216 appearances.

After a period of yo-yoing between divisions, the 1977 side were crowned Division Two Champions and reached the FA Vase final at Wembley. They established themselves as a top division side, lifting the League Cup in 1978, before joining the newly founded Northern Counties East League in 1982. The Division One title was won in both 1989 and 1991 and a first Sheffield & Hallamshire Cup win came in 1994. In 2001 the club moved to its current home. Repeated challenges for promotion followed, as did a League Cup win and 2 S&H FA Cup wins. 2006/07 ended with promotion to the Northern Premier League. The club made an instant impact in reaching the 2008 play-off final, narrowly losing only on penalties. That first season also saw games against Inter Milan and Ajax at Bramall Lane, as part of the 150th birthday celebrations, and a few years later a win at Hallam's Sandygate ground to mark the same anniversary of the first inter-club match. Sheffield were then twice more involved in the play-offs over the next few seasons and lifted the Sheffield & Hallamshire Cup again in 2008 and 2010. After finishing 9th in 2012/13 the side languished in the bottom half of the table for five years before finishing 4th and reaching the play-offs in 2018/19.

Sheffield were in 13th and 18th position when the 2019/20 and 2020/21 seasons respectively were both ended due to coronavirus.

In 2021/22 Sheffield flirted with relegation, finishing a single place above the relegation spots, before a couple of seasons of mid table safety.

However, in 2024/25 the club finished in last place, 22nd, in the NPL East Division and were relegated, returning to the NCEL for the first time since 2007.

Nevertheless, with thriving women's, Reserves, disability, and futsal teams the club continues its forward journey and stays true to its roots in playing for the love of the game.

Frickley's History

Frickley Athletic FC is based in the former coal mining village of South Elmsall. Recent research has shown that the first South Elmsall football team was formed in 1905 but was superseded in 1908 by the newly formed Frickley Colliery Athletic Club and joined the South Yorkshire league which comprised of works, church and village teams. In 1910, the football club moved to the Sheffield Association League and first played in the FA Cup.

The club remained in the Sheffield Association League (except for the war years) until 1922, finishing runners up in 1911/12, and winners in 1920/21, our only ever league title.

In 1922/23 Frickley joined the Yorkshire league and after finishing runners up in 1923/24, the club were elected into the Midland League, Although the club had to apply for re election several times pre war (and didn't play in any league in 1933/34) it was kept going by the support of the mineworkers and the sale of players.

1936/37 was Frickley's worst ever league season when the club finished bottom with only 8 points, but amazingly reached the FA Cup 1st round proper for the first time.

Post war, Frickley remained in the Midland league gaining its best finish, 7th, in 1945/46, but left the league on its break up at the end of 1959/60.

From 1960/61 to 1969/70, Frickley Colliery played in the Cheshire County League, However, financial considerations led the club to join the Midland Counties League for 1970/71. They finished runners up in 1972/73, and were eventually elected into the NPL for the 1976/77 season as Frickley Athletic.

After finishing 3rd in 1979/80, the club was promoted into the Alliance Premier League, now the National League. Here they remained for 7 years, the most successful in the club's history, and in 1985/86 reached the FA Cup 3rd round proper, after beating a Football League club, Hartlepool Utd, only to lose 3-1 at home to Rotherham Utd. The club also finished as Gola League runners up. The following season saw a reversal as we were relegated back to the NPL.

From 1987/88 to 1991/92 the club consistently finished around mid-table in the NPL. but did manage to reach the league cup final in 1991/92, losing 1-0 to Marine at Maine Road.

The next few seasons saw Frickley finish in the lower reaches of the table. Then, in 2005/06 The Blues had their best league season for 20 years, finishing 2nd to Blyth Spartans. Unfortunately, the Blues lost on penalties in the playoff semi.

In the following seasons Frickley returned to the lower half of the table, but 2015/16 saw the club have a great season to finish 7th.

In 2016/17, most of the players who had brought this success were attracted to more affluent clubs. The club were relegated from the NPL Premier Division after a 30 year stay.

2017/18 saw the club enter the NPL Division 1 South, finishing 3rd in the league, scoring a record 117 goals. Additionally, Jacob Hazel broke the club record for individual goals in a season with 47 strikes. The season ended disappointingly with playoff semi final defeat at the hands of Stamford.

2018/19, in the new NPL East Division, was less successful, seeing managerial changes and a 12th place finish. However, the season had its highlights, with victory at highflying Morpeth and a 10-1 win over Liversedge in the FA Cup.

More change followed prior to the start of 2019/20. A further league reorganisation which put The Blues into the NPL South East Division was accompanied by a new manager. An inauspicious start lead to the appointment of Dave Frecklington in September 2019.

Frecks rapidly turned the side's fortunes around, before lockdown ended the season. 2020/21 ultimately suffered the same fate.

Frecks built what looked like strong squad for the 2021/22 season in the newly formed NPL East Division. However, things didn't pan out as hoped. Key departures lead to a run of form that saw the club relegated to the Northern Counties East League for the first time in our history.

In the summer of 2022, former Blue, Wayne Benn, was installed as manager, with ex-Frickley goal scoring legend Andy Hayward as his assistant. There were occasional highs but Benn resigned in early 2023 so Patrick McGuire came in to avoid a second successive relegation.

2023/24 started well, and included an 8-0 win at Goole, but ended with the release of McGuire. James Baxendale was in the hot seat for the start of 2024/25 but left to be replaced by Tom Claisse in November 2024 and successfully avoided the drop before being relieved of his duties in September 2025.

Club legend Martyn Woolford has taken the reigns and he'll be looking to roll back the years and bring winning ways back to Westfield Lane.

Memory Match

As usual, we've got 2 memory matches for you, a pair of 'on this day' games. The first match was a NPL Division 1 South game against Romulus, played on Saturday 24th March 2018, on the 3G at Sutton Coldfield. The Azzurri left it late as Tom Dugdale's 78th minute winner secured a 2-1 triumph, after Jacob Hazel's penalty miss had made it look as if a draw might be the most likely outcome. Then the second game was played here at The Wezzie on Saturday 24th March 1990. The Blues nicked a 1-0 win against visitors Stalybridge Celtic in the NPL Premier Division with an even later deciding goal. Colin Bishop struck in the 87th minute to send Blues fans home happy. With thanks to JL.

BOOST FOR FRICKLEY PROMOTION HOPES

Tony Harber
tony.harber@jpress.co.uk
@PCExp_Tony

FRICKLEY ATHLETIC revived their hopes of finishing in one of the automatic promotion spots in the Evo-Stik South when they won away from home while rivals Alvechurch slipped up.

Alvechurch remain favourites to clinch runners-up place behind runaway leaders Basford United as they have two games in hand on Spencer Fearn's men, but their defeat at home to Spalding United on a day when Frickley won 2-1 at Romulus has given the Blues renewed hope.

They are still three points ahead of Frickley, however, following a 1-0 win against Cleethorpes Town on Tuesday while Bedworth United are in third, a point ahead of the Blues from a game more.

Frickley did their bit to keep their promotion bid going with victory last Saturday, although it was hard work and it could have come at a cost as they lost skipper and big goal threat Gavin Allott to injury.

The first half was goalless, although Frickley had early chances when Tyler Walton sent a half-volley over and Jacob Hazel's shot skimmed the woodwork following good play by Sam Liversidge, Walton and Allott.

Allott's flicked header also went close before he had to leave the field after he landed awkwardly. Everyone at the club now has fingers crossed that it turns out to be just bruising and he can quickly resume his place in the team.

Romulus came out with more intent in the second half, but it was still Frickley creating the chances as Danny Burns had a close range header saved and Reece McGinley's cross was only half-cleared to Hazel who smashed it just over from the edge of the box.

A goal finally arrived on 55 minutes when McGinley pulled the ball back to Walton on the edge of the box and he finished calmly into the net.

Hazel went close twice to adding to the lead, but Romulus equalised against the run of play, Romario Martin taking advantage of a lack of concentration at the back for the Blues.

The hosts rode their luck again when Hazel saw his penalty saved after Walton had been brought down in the box.

However, Frickley were not to be denied and came up with a winning goal on 78 minutes when Tom Dugdale met Walton's cross with a deft finish.

That they deserved the victory was not in doubt and they have now won their last three league games – a run that would be standing at four if their 2-0 score at Spalding had been allowed to stand. Under the FA rules that game now has to be played again from scratch even though there were only eight minutes left when the original match was abandoned and it will now be staged on Tuesday, April 10 with a 7.45pm kick-off.

This Saturday Frickley are at home to mid-table Peterborough Sports, looking for revenge after they ended the Blues' record equalling winning run last month. Athletic are also in action on Monday away to Stocksbridge Park Steels. Both games kick-off at 3pm.

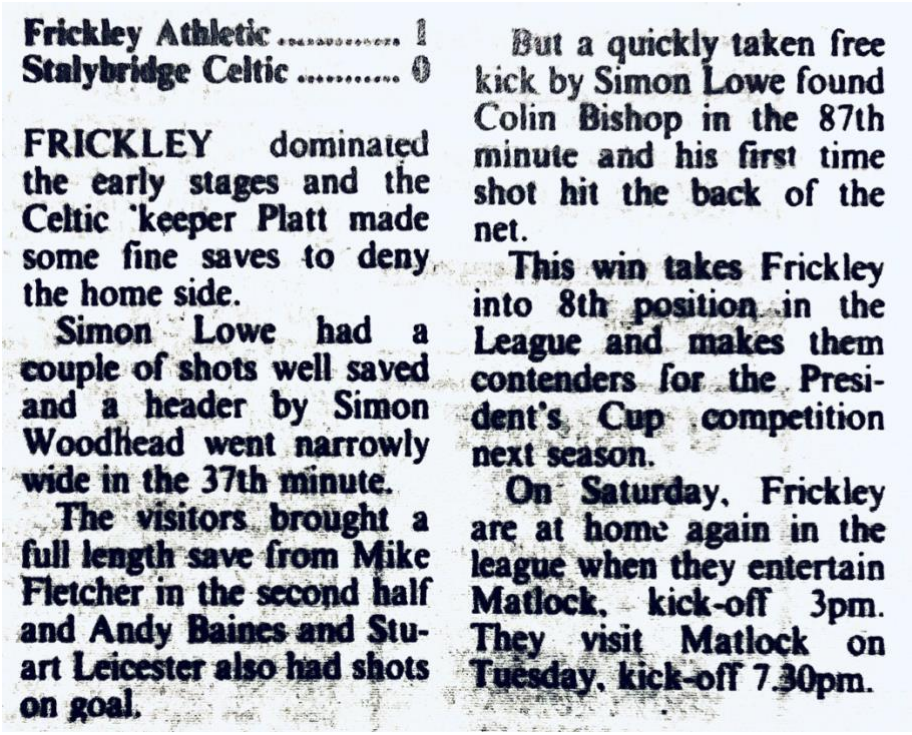
Memory Match (Cont.)



Frickley Athletic 1
Stalybridge Celtic 0

FRICKLEY dominated the early stages and the Celtic 'keeper Platt made some fine saves to deny the home side.

Simon Lowe had a couple of shots well saved and a header by Simon Woodhead went narrowly wide in the 37th minute.

The visitors brought a full length save from Mike Fletcher in the second half and Andy Baines and Stuart Leicester also had shots on goal.

But a quickly taken free kick by Simon Lowe found Colin Bishop in the 87th minute and his first time shot hit the back of the net.

This win takes Frickley into 8th position in the League and makes them contenders for the President's Cup competition next season.

On Saturday, Frickley are at home again in the league when they entertain Matlock, kick-off 3pm. They visit Matlock on Tuesday, kick-off 7.30pm.

The Famous Five – Who Am I?

1. Blues defender who won the NCEL Premier Division title with Silsden last season and has lately returned to the side with some 'jarring' performances at wingback.
2. Sheffield defender who was a wholehearted player for Frickley in the NPL, and has also turned out for Loughborough Dynamo and Belper Town since then.
3. Glasses-wearing Dutch midfielder who was a Champions League winner with Ajax, also played for Juventus and Spurs, and managed Barnet.
4. Austrian manager of Crystal Palace who won the Europa League as boss of Eintracht Frankfurt and last season's FA Cup with Palace.
5. Sheffield United forward who joined the club in 2024 from Stoke City and is the son of the sadly deceased Arsenal and Everton striker, Kevin.

The NLP Column:
A Touchline Lifeline

By Jon Couch

In a perfect world, a life-saving defibrillator will hang up on the wall on every sports club or facility in the world and simply gather dust.
Sadly, though, there are occasions when these remarkable bits of kit are brought into use – and they might just save a life!
Take the other weekend for example when The NLP became aware of 3 separate medical emergencies, including one where the life of an assistant referee was saved by a team captain
Martin Weedon, 73, an official of more than 40 years, was running the line for Desborough Town's Spartan South Midlands League Division One Cup semi final against Belstone when he collapsed during the early stages of the game.
The match was immediately abandoned while Mr Weedon was treated on the pitch by Belstone captain Mitchell Swain – a firefighter by day – and the 2 team physios, Desborough's Carl Mallett and Alan Dunphy, of Belstone.
The heroic trio deployed the defibrillator kept at the ground to restart his heart and bring him back to life before Mr Weedon was rushed to Kettering General Hospital, less than 5 miles away, to undergo treatment.

"If Desborough hadn't had a defibrillator, Martin would have died 100%," Mr Weedon's son-in-law Andy Hobbs told BBC Sport.
"It's so important that sports venues of all sizes have them because they save lives."
"I was called to say Martin had collapsed and had stopped breathing and they were going to use a defibrillator on him.
"I believe their captain is medically trained and he and the others did an amazing job, they followed the right procedures."
Sadly, Desborough wasn't the only place to be thrown into an emergency situation.
Coventry United also revealed that their chairman Raymond Nowack collapsed suddenly after their home United Counties League match with Northampton ON Chenecks.
A statement read: "Thanks to the incredible work of our staff, especially our physio Lucy Stead, as well as assistance from manager Terry Anderson, Serena from the Butts Park Arena, the Northampton physio and assistant referee Kieron Large, plus the speedy response of the ambulance crew, Ray received immediate treatment and was swiftly taken to hospital He has since been released and is resting at home."
And there was a further incident nearby, at Midland League Division Three side Leamington Hibernian, where the club revealed that an unnamed player had suffered a "heart attack" during their game with AFC Balsall.
The Step 8 club said on X: "It is in times like this that put things into perspective and shows the togetherness of the football family in coming together to help and support each other."
All fitting reminders of the importance of installing a defibrillator at your local club's facility as a matter of priority and urgency.
In his NLP column last April, Francis Duku, a former Non-League defender and founder of The Sports Circle, a movement that aims to make communities healthier using the medium of sports and exercise, told how there are more than 30,000 out-of-hospital cardiac arrests in the UK every year, with a survival rate of less than 1 in 10.
The Sports Circle are working with the JE3 Foundation, set up to honour the legacy of former professional footballer and National League manager Justin Edinburgh (pictured), who went into cardiac arrest at his local gym in June 2019 and died 5 days later.
Founder of the JE3 Foundation, Edinburgh's son Charlie, is leading calls for legislative change on the installation of Automated External Defibrillators within health and sports facilities, while raising awareness of cardiac arrest, delivering CPR training and empowering every person to act fast, with the right skills and access to life-saving resources.
"Early CPR and defibrillation can significantly improve survival chances," Duku said.
"If something happened near you at a game or just in the street, would you know what to do?
"Through the JE3 Foundation, Justin's legacy shines brightly."
The events at Desborough are testament to that.

Match Report

Frickley 2 Wombwell Town 0

Wombwell Town, already relegated earlier in the week and rooted to the foot of the table, had only pride to play for in this Friday night derby. The Blues, meanwhile, knew that 3 points would haul them up the standings and put real daylight between themselves and the relegation scrap. By full time, Les Bleus had done exactly that.

On 2 minutes, The Blues produced the first half chance when Kilner put in a cross, though it carried too much weight to trouble the visitors. Wombwell responded on 8 minutes, a foray forward ending with a shot that was promptly charged down by the Boys in Blue.

The Azzurri almost struck in the 12th minute. Kilner floated a super ball over the top for Lindley, who raced clear but dragged his finish narrowly wide of the far post.

Les Bleus kept probing. In the 17th minute, Robbo bulldozed his way through the Wombwell back line and squared for Tom A. His effort was parried, the ball recycled through Robbo again, but Andrew poked the follow up just wide.

An attritional spell followed, broken on 38 minutes when Viggars flicked on a long throw from Tom A, only for the keeper to gather.

Right on the stroke of half time, Tom A nudged the ball to Viggars, who spun his marker with a slick Cruyff turn but hit his shot wide of the target. It was goalless at the interval, though The Blues had carried the greater threat. HT 0-0.

Whatever The Gaffer said in the dressing room had the desired effect, paying almost instant dividends. On 51 minutes, Price was clipped, it looked to be inside the area, but the ref awarded a free kick on the edge of the box instead. No matter as Andrew stepped up and whipped a superb curling strike into the bottom corner to give The Azzurri a deserved lead.

Wombwell briefly stirred when, 4 minutes later, they were gifted a free kick, and a looping header hit the bar before the rebound was nodded over from 2 yards out with the goal gaping.

Barely a minute after that escape, Lindley almost burst through again, only to have the ball nicked off his toe at the decisive moment.

Just before the hour mark, Robbo was brought down on the edge of the box. Andrew tried his luck again from the dead ball, but hit the wall.

On 65 minutes, Tom A produced excellent defensive work to clear after Wombwell pressure, then surged forward only to see his shot blocked.

Sam Cable entered the fray in the 66th minute, replacing Tom A. The substitution proved inspired. In the 69th minute, Cable latched onto a ball over the top, smashed a fierce drive goalwards, and although the keeper got hands to it, he could only palm it into his own net, doubling the Blue advantage.

Wombwell's misery continued on 72 minutes when a loose ball fell kindly for them in front of goal, only to be ballooned high over the bar. It was an effort befitting a side enduring its 27th league match without a win, and preserved The Azzurri's clean sheet, our first in 15 games.

The Blues managed the closing stages with calmness and control. FT 2-0.

1 cleano, 2 neat goals, and 3 massive points! Against local rivals, under the lights, and with the pressure on, the Boys in Blue delivered, with the victory lifting The Azzurri 9 points clear of the relegation zone.

WEBMASTER MOTM - the fluency wasn't quite there but the result was everything, we simply found a way to win. Liam Love and Sam Kilner pushed on well, while the 2 Harries, Viggers and Gagen, kept things tight in the middle. Will Sykes never looked like he was getting anything other than the 10th clean sheet of his Frickley career. Charlie Price, Josh Lindley and Tom Alngohuru were determined. And Elliott Andrew and Sam Cable took their goals brilliantly. However, the Glitterball goes jointly to Lucas Robinson (pictured) and Joel Spence. Robbo was unplayable and the Skip celebrated extending his contract by owning the engine room, as usual. Bang tidy, brothers!

The Champions

Liversedge were crowned Macron NCEL Premier Division champions following their 3-0 win at Parkgate 10 day's ago.

Needing two points to secure the title, Alfie Dean set them on their way in the 33rd minute before a quickfire double around the hour mark from Kelan Swales and George Green made sure they cannot be caught at the summit.

It means an immediate return to the Pitching In Northern Premier League for Sedge after their relegation from Step 4 last season and it is the first time they have lifted the trophy.

Liversedge are pictured above as they lifted the trophy.

The Sedge squad included a pair of ex-Blues in the aforementioned George Green and Kelan Swales.

In the Macron NCEL Division One, Dearne & District were confirmed as champions following their 5-0 win at Club Thorne Colliery last Friday night.

They went into the game knowing that a victory would secure them the title and any nerves were calmed when Jamie Austin gave them the lead before Adam Baskerville and Joshua Dacre made the outcome beyond doubt by the 68th minute.

Taylor Nicholson and Max Eastwood struck late on to put the icing on the cake and, after huge celebrations at the final whistle, pictured below left, they were presented with the trophy that has been won with four games to spare.

Dearne are managed by former Frickley man Zeph Thomas, pictured below right.

NCEL News

Dearne & District's championship was the only thing decided over the weekend, with regards to promotion and relegation in both divisions.

In the Premier Division, champions Liversedge drew 1-1 at home to Golcar United in one of the four games that were played on Friday.

Over 500 people watched as Sedge played their first home game since lifting the title and Finn Donovan gave them a 44th minute lead before Ashley Flynn ensured the spoils were shared with his equaliser around the hour mark.

The race to join them in promotion to Step 4 continues with Beverley and Sheffield both winning to almost clinch a playoff place.

Andrew Norfolk struck the only goal of the game as Beverley won at fellow top 5 side Barton Town 1-0 whilst Sheffield won by the same scoreline at relegation-threatened Bottesford Town, Nathaniel Crofts with the 61st minute decider.

Barton drop to fourth whilst Tadcaster Albion keep themselves in fifth after Andrew Shepherd, Oliver Green and Miguel Cassama netted in their 3-0 home win over Pickering Town, a defeat that virtually ends the Pikes' faint promotion hopes.

Campion and Handsworth remain just outside the playoff zone but both picked up victories to keep themselves in the hunt.

Shay Muirhead, Ewan Gregson and Aiden Day scored as Campion won 3-1 at Penistone Church, Matthew Lee scored for the hosts.

And, Handsworth sailed to a 7-0 victory at Thackley with a goal each for Jordan Hines, Ben Harriott, Mitchell Dunne, Alex Wonham, Jonathan Williams, Ify Ofoegbu and Tyler Williams.

Thackley now find themselves dragged into the relegation battle with only 4 points separating Rossington Main in 19th and Penistone 6 places above them.

Rossington's 2-0 win at Horbury Town has given them a lifeline, with 2 games in hand. James Travis' own goal was added to by Myron Gibbons.

Horbury are now just above the trapdoor on goal difference following the defeat with Albion Sports leaping above them, Bottesford and Thackley after a priceless 4-2 home win over Parkgate.

Nathan Cartman's hat trick helped Albion to the win after Amarvir Sandhu had cancelled out Jacob Pearson's opener for the Steelmen with Hayden Goddard adding to the visitors' tally in stoppage time.

Eccleshill United's 2-1 loss at Knaresborough Town leaves the Eagles looking over their shoulder whilst their hosts can breathe a easier after their win. Lewis Waddington scored for Eccleshill but Ben Gelder and Slater Barkham-Barnes' goals ensured victory for Knaresborough.

Meanwhile, Frickley Athletic got 3 big points to keep themselves 6 points from danger with a 2-0 home win over basement side Wombwell Town, Elliott Andrew and Samuel Cable with the goals.

Elsewhere in Division One, Wakefield AFC's playoff spot has been confirmed after their 4-0 defeat of visitors Appleby Frodingham. Thomas Hinton and Akeel Francis gave them the perfect start with a double salvo in the opening four minutes before Ethan Kachosa pounced twice to complete the victory.

Third placed Harrogate Railway Athletic drew 1-1 at Winterton Rangers, Alex Burton's opener for the Rail quickly cancelled out by Lewis Shillito for Rangers who are five points away from safety.

Josh Brown, Dempsey Smith and Isaac Jeffreys were the scorers for Worsbrough Bridge who stay fourth after their 3-0 home win over Maltby Main.

Brigg Town came from behind to win 4-1 at home to Louth Town, Donavan Day's pair added to by a Joshua Batty penalty and an Oliver Fisher strike after Will Pennell had put the visitors ahead.

The Zebras have a 3 point cushion in the final playoff position but closest rival Leeds UFCA, who won 1-0 at home to Doncaster City courtesy of an early Omar Sanyang strike, have 3 games in hand in the race to finish in the top five.

Route One Rovers' play-off hopes were dented by a 2-1 loss at Crowle Colts, Ashton Short's 87th minute winner for the hosts.

Armthorpe Welfare drew 2-2 at home to South Leeds. Finlay Gill and Thomas Joynt had twice given them the lead, the second from the penalty spot, but the visitors battled back with goals from William Law and James Law.

Nostell Miners Welfare remain next-to-bottom but have closed the gap to safety to 9 points as they won 2-0 at the side they are chasing, Athersley Recreation. Kurtis Gollings and Matthew Hughes got the goals.

Nathan Perks hit 4 as Goole were 7-1 home victors over relegated Glasshoughton Welfare whilst there was a goalless draw in the match between Selby Town and their visitors Ilkley Town.

ON THIS DAY IN FOOTBALL – 24TH MARCH

1993 - Southampton's Matt Le Tissier missed a penalty! Not an unusual outcome for any regular penalty taker but for Le Tissier that proved to be a unique occasion. Le Tissier spent his entire career at Southampton and took 48 penalties, scoring 47. That one miss came in the Saints' Premier League match against Nottingham Forest at The Dell as Forest keeper Mark Crossley saved the kick.

2007 - England U21s played Italy U23s in the first match at the new Wembley Stadium in front of a 55,700 crowd. Giampaolo Pazzini scored the first goal after just 29 seconds and went on to score a hat trick in the 3-3 draw. England's goals came from David Bentley, Wayne Routledge and Matt Derbyshire.

Linked to The Lane

I'm an incorrigible collector of old A&BC, Panini, Merlin, Topps, etc. football cards and stickers, and it struck me how many of the players pictured had links to Frickley Athletic. They might have played for or against us at some point, or are related to one of The Azzurri past or present. Or the connection might be even more tenuous! But you can be sure it was the highlight of their career ;)

He played in Barry Gill's testimonial game for a Sheffield Wednesday XI at The Wezzie in 1987. He played with ex-Blue Dylan Kerr at Wednesday and Leeds United in the late 80s and early 90s. There really is only on Mel Sterland!

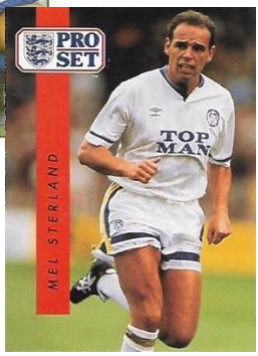
Melvyn Sterland was born in 1961 in Sheffield. He began his professional career at his hometown club, Sheffield Wednesday, signing in 1978 and making his senior debut at the end of the 1978/79 campaign in Division Three, playing in the last 2 games and scoring in the second of those. Wednesday were promoted the next season but Mel didn't establish himself until the season after.

At Hillsborough, Sterland blossomed into a dynamic and attack-minded right back, known for his powerful shooting, surging runs down the flank, long throw ins and accurate crosses. Because of his attacking flair, he earned the nickname 'Zico' in reference to the Brazilian legend. In the 10 years he spent in the Steel City, he played almost 350 games and scored nearly 50 goals. More importantly, he made a significant contribution to the club's revival, helping his side to the FA Cup semi finals, promotion back to the top flight after a 14-year absence and a fifth place finish in the First Division in 1985/86.

It was during his time at Hillsborough that Sterland won international recognition, representing England at U21 level, winning the UEFA U21 European Championship in 1984, and earning one full senior cap in 1988 in a friendly against Saudi Arabia.

In March 1989 Sterland left Sheffield Wednesday for the Scottish giants Rangers in an £800k move. Though his spell at Ibrox was brief, just 9 appearances, he made an impact, scoring 3 crucial goals, helping Rangers to clinch the Scottish league title in 1988/89.

However, he returned to England fairly quickly. That summer, Sterland joined Leeds United, reuniting with his former Sheffield Wednesday boss Howard Wilkinson. At Leeds he became a fan favourite again, thanks to both his attacking incursions from fullback and his set piece ability. In his first season, Leeds secured the 1989/90 Second Division title and promotion to the First Division. Then, in the 1991/92 season, the final campaign of the old First Division before the advent of the Premier League, Sterland helped the Elland Road club win the league championship, scoring 6 times in 31 games. Unfortunately, an ankle injury in 1992 hindered Sterland's playing time thereafter.



He never fully recovered and he retired from top flight football in January 1994. He still had enough left to move into non-league football and management, serving as player-manager of Boston United from 1994 to 1996. After winning the NCEL Premier Division with Denaby United in 1996/97 as a player, alongside his old teammate Imre Varadi, he had a spell as manager at Stalybridge Celtic.

Mel went on to pen an autobiography 'Boozing, Betting & Brawling', on his career and colourful life beyond football. He's also a regular on the after dinner circuit and is still a popular interviewee on all of his old clubs' media streams. Talented man that he is, Sterland appeared in the Sean Bean film, When Saturday Comes, but as a Sheffield United player. Sacrilege for an Owl – he's blotted his copy book there ;)

Next up – Rossington Main

Rossington Facts: Rossington is a large village just south of Doncaster in the county of South Yorkshire, with a population of around 13500. Historically, it was a mining community built around the Rossington Main Colliery, which was one of the major local employers until it finally closed in 2007. One of Rossington's most famous residents was Joan Jurdie, a woman who became known in the early 17th century after being accused of witchcraft. She was reportedly tried twice during this period when fear of witches was common in England, but she survived both trials and was not executed, a very unusual occurrence at a time when many accused witches were put to death.
